

Bon bini!

Welcome at Senang. The restaurant in which the flavors of the Orient strike down in the Caribbean. In Senang you will taste the dishes of the nearby east, middle east, and far east. The dishes are inspired by the beautiful holidays that Jonnie and Thérèse spend with their children in the last 20 years. The high standard, and great diversity of the dishes from the Orient always inspired us. That is what we love to bring to you.

Enjoy the Orient!
Feike, Stefan, Jan Willem, and team Senang
